“Our group had a great time, the staff, the golf and the accommodations could not have been better. We are looking forward to return in the future.”

The Seven Oaks Group

I would like to Thank You and the entire staff for making our Golf Trip memorable. You were patient with me trying to decide which package to choose, and I couldn't have been happier. *We have been going on these annual Golf Trips for 16 years, and this year (Our 1st to Santee) was one of the most enjoyable.* We stayed in the Golf Villas and played Santee Cooper and Lake Marion twice. Both courses were in great condition, and suited the many different skill levels in our group. The Lake Marion Villas accommodations were second to none as far as I'm concerned. It is by far the most convenient place we have ever stayed. *Where else can you drive the golf cart back to the villas? No where.* The Villas were very clean and roomy. The grills right out side our rooms were a big hit as well. We look forward to coming back around the same time next year. - *Keith Westmoreland*

I want to express my sincere appreciation to you and the Santee Cooper team for the tremendous support of our recent golf trip to Santee for our group. Your efforts of putting together a golf package that 32 golfers could enjoy was outstanding. *The hospitality room really helps bring the group together at night and thank you for recommending it and any other group who is thinking about it should add it.* We look forward to next year which will be our 6th straight year! - *J. Bonner*

Just wanted to let you know how much we enjoyed our annual golf trip this year. It had been several years since we had journeyed to Santee and we were not disappointed. The villas were great and the courses that we played were in great shape. We will definitely be coming back to Santee next year and booking with your company. *We have been going on our annual golf trip for 23 years and I want to thank you for making this the easiest and best trip that we have taken.* Thanks for your hard work - *Tim*

Lake Marion Golf Course Fully Decorated for Patriot Golf Day

2016 Patriot Golf Day Raises More Than \$13,000!

In spite of Hurricane Hermine headed toward Santee, Lake Marion Golf Course hosted its 7th Annual Patriot Day Tournament over Labor Day weekend, in conjunction with the PGA of America. Unfortunately, all of Friday's double shotgun was rained out. Not to be discouraged, they went to plan B and held the Saturday event, using Monday, September 5th as a make-up date. All in all, it turned out to be a great holiday weekend!

Lake Marion's participation with Patriot Golf Day began in 2007 by asking players to donate a dollar. Then in 2009, course management and employees wanted to do more to help the cause, so they decided to host a tournament. The event was hugely successful and really brought the course and the community together in support of our Veterans and those currently serving.

Proceeds from the tournament are given to the Folds of Honor Foundation which provides post-secondary educational scholarships to the spouses and children of service members disabled or killed as a result of their military service to our great nation.

The event has become one of the largest in the State of South Carolina and has grown significantly over the years. This year, 260 players took part in the event, more than 100 sponsorship signs were donated by companies, civic groups/lodges and individuals, and successful raffles and auctions were held, resulting in a donation of \$13,200 going to the Folds of Honor Foundation. This brings the total donations since 2007 to more than \$120,000.
